07/01/19	INSET DAY - NO SCHOOL FOR CHILDREN
08/01/19	Children return to school

Message from the Headteacher

The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education' (Martin Luther King, Jr).

This week, I have been working collaboratively with many other Hounslow Headteachers, celebrating strengths in the quality of education we are providing our children and identifying areas where we can serve our children even better. It is these challenging conversations and opportunities to think critically and creatively that help to ensure our vision and purpose continually drive improvements in what we offer to the children.

Next week, we are holding our Autumn Term Parent Teacher Consultations. I do hope as many of you as possible are able to attend, as class teachers will be going through important learning information and next steps for your children. We will be trialling a new approach to these consultations, with all meetings taking place in the hall. Part of the rationale behind this is to help improve time-keeping, so that all meetings start and finish on time. I would ask you to support us in this by arriving promptly for your scheduled appointment. As class teachers will have a lot to discuss with you, do please organise an additional time to meet your child's class teacher if a wider or lengthier discussion is required. As always, I will be keen to hear your feedback on this new approach to parent teacher consultations.

I am delighted to let you know that new interactive whiteboards have been installed in 6 Hockney and our Nursery class, Pollock. This is an area we are looking to improve across the school during the course of the academic year as they are powerful teaching tools which help to improve the learning experience and opportunity for all the children - Miss Vrina and the children in 6 Hockney have been very enthusiastic!

I am looking forward to the annual FOWHS Quiz Night this evening. Last year proved to be a very lively event, providing a lovely opportunity for staff and parents to socialise together. If you don't have anything already planned for tonight, it is definitely worth joining in. The kitchen staff have prepared some desert for everyone to share and pizza is on the menu as part of the £10 entry fee. Tickets are available on the door.

If I don't see you at the Quiz Night later on, do have a fantastic weekend.

Miss A. Stockley

Top Table – Wednesday (21st November)

Every Wednesday children are chosen to sit on the Top Table at lunchtime to congratulate them and celebrate their achievements.

Class name	Child's name	Reason
Kandinsky	Chelsea	For being brave and resilient, and not letting her broken wrist get in the way.
Mondrian	Felix	For his great enthusiasm and perseverance in his learning.
Matisse	Sophie	For showing enthusiasm in her learning and striving to always do her best. In literacy, she wrote an excellent 'conversation' using direct speech.
Monet	Sophia	For demonstrating creativity across the curriculum in school and continuing that learning at home.
Picasso	Nicholas	For challenging himself to complete all activities and move onto extension tasks. He listens and responds to feedback very well to ensure his work can be the best it can be.
Van Gogh	Kotaro	For being so diligent in his work and being a helpful and productive member of the class.
Blake	Wathsala	For having the motivation to read around a subject at home and share his knowledge in class.
Warhol	Tommy	For his emerging enthusiasm in class. He has been working hard on his times tables at home and he has been eager to try out his knowledge in lessons.
Shonibare	Fathy	For making new friends (and sharing a love of Lego with others)
Hockney	Nasser	For persevering and producing written work over the last two weeks which has been a joy to read!!!
Riley	Emile	For persevering and remaining determined to improve the quality of his written work. This devoted work ethic has meant that his writing has made incredible and accelerated progress. I am extremely proud of him.

Friends of The William Hogarth School

Dear parents,

We are the Friends of the William Hogarth School – a network of volunteer parents and friends, working together to advance the learning and school experience of our children.

But, really, it is the smiles on our children's faces that is our number 1 priority. We love organising fun events throughout the year for all to enjoy. Whether it is a visit to Santa's Grotto at our Christmas Fair, the Easter egg hunt or the upcoming parent-teacher Quiz Night. All bring a smile to our children's faces (and ours too!).

This year, we are committing ourselves to just that – have fun while raising money that directly benefits our children. In an environment of school funding cuts, our support is more important than ever before. We recognise our teachers' hard work and tough decisions our school needs to make. This school year, we hope we can count on you to help us:

- Raise £10,000 to directly benefit our children's school experience
- Host fun events like our Christmas & Summer Fair that makes our school community the best in Chiswick
- Address concerns of air quality and improve the school's outdoor spaces
- Build a collaborative partnership with parents and teachers.

Every penny raised through the PTA is invested directly back into our school. And our school and every child benefits.

Last year, we raised £11,000 and:

- Improved the school's outdoor spaces by resurfacing of our new ballpark
- Purchased books to create new book corners in every classroom
- Invested in classroom cameras to help document learning outcomes
- Directly support classroom teachers through funds generated by our Friday cake sales

We are calling all parents, family and friends to be part of the fun! It does not have to be a full time commitment. All help is welcome – no matter how much time you are able to give. Please reach out to your Parent Class Representative about ways you can get involved.

We hope to see many of you at tonight's Quiz Night. All proceeds will directly support sets of creative writing stimulus books for each year group.

With best wishes

On behalf of the Friends of the William Hogarth School

Cake Sale

Cake sales are returning! The money that each year's cake sale brings in, goes directly back into your child's classroom. On the Friday morning of your child's cake sale day, please bring baked or store bought goodies (NO NUTS) to the office. Please let your class rep know if you are able to help prepare and sell cake sales on that day (3-4pm) - each class needs 4-6 helping hands. Thank you for your support of our school!

November 23: Year 6

November 30: Year 5

December 7: Year 4

We're making our own Christmas Cards

This year our school children will be creating their own personalised Christmas Card designs. Parents will be able to purchase the cards in packs of 12 at a great price, whilst also helping the school to raise additional funds. So there's no need to buy your Christmas Cards anywhere else!

From just one drawing you can order lots of different products and help to raise funds for your school.
