26.11.18	INSET (3) (NO SCHOOL FOR CHILDREN)
21.12.18	Last day of term
24.12.18-04.01.19	Christmas break

### Message from the Headteacher

This half term seems to have absolutely flown by and I am pleased to let you know that the children have made terrific progress in the 6 weeks or so since we returned from summer holiday. I hope you will enjoy sharing their learning and investigating how it has moved on at the Parent Teacher consultations scheduled for November. We will also begin our class and festival assemblies after half term, so keep an eye on the 'dates' section of the school diary. Thank you for using the 'School Planners' so effectively since their introduction at the start of term. Remember to note your child's reading in them, as well as other important messages and information for the class teacher – they are checked daily and can be a powerful communication tool.

On Wednesday, the full governing body met and we were delighted to welcome David and Goran on board as they join us as new governors. David is currently teaching in the private sector and is going to take on the important role of Safeguarding Governor. Goran will already be familiar to many of you as a Year 2 parent. Goran is going to join our Resources Committee and has already expressed a commitment to investigating different fund-raising opportunities that may be available to the school.

The PTA (Friends of William Hogarth) had a successful AGM this morning. I would like to say many thanks to Elizabeth Cook for all her hard work last year as Chair. She did an exceptional job at fund-raising, bringing lots of innovative ideas to the table including the successful walkathon. Congratulations to Stacey Forbes who has volunteered to take on this demanding role – I have no doubt her infectious enthusiasm and commitment to supporting the school will have enormous impact. Remember, you are all members of the Friends of William Hogarth School so do please check in with Stacey or your class rep to find out how you can get involved.

I am sorry to round off the newsletter on a disappointing note. It has come to my attention that some parents and family members are using social media to speak unkindly about children that come to our school. I am sure that you would all be equally cross and upset to find your family or your child being spoken about in this fashion. Every child that comes to our school is unique and valued for their uniqueness. Some children face extra challenges in accessing mainstream learning, but it is right and proper that we all fulfil our moral obligation to support them, rather than discriminate against them as they begin their educational journey. We spend a lot of time in schools educating children about etiquette and respect for one another, both online and offline. We have a real focus on cyber-bullying. We expect all our parents and families to show that same courtesy, thereby providing excellent role models of behaviour for their children. If you are worried or concerned about something, do please speak to your child's class teacher, or contact the office to arrange an appointment to see myself or Miss Rees.

Have a fantastic weekend

Miss Stockley

## Top Table – Wednesday

Every Wednesday children are chosen to sit on the Top Table at lunchtime to congratulate them and celebrate their achievements.

Next week we would like to congratulate and celebrate these children:

### Top Table - Wednesday (17th October)

Class name	Child's name	Reason
<b>Kandinsky</b>	Miles	For showing more resilience when he gets things wrong and carrying on.
<b>Mondrian</b>	Mia	For always being enthusiastic about her learning and trying hard in all lessons.
<b>Matisse</b>	Jonathan	For demonstrating a great attitude to learning and always trying his best.
<b>Monet</b>	Una	For demonstrating a great attitude to learning and always trying her best.
<b>Picasso</b>	Dalal	For settling in and always eager to play and include everybody. Dalal has only been with us for one week and made friends with everyone!
<b>Van Gogh</b>	Oliver	For bringing his natural curiosity to everything he does.
<b>Blake</b>	Emma P	For never giving in to the temptation to give second best.
<b>Warhol</b>	Gracie	She has shown growing confidence in her maths work (exchanging in subtracting) - whoop whoop!
<b>Shonibare</b>	Ayesha A	It is really rare to find an older child who plays with others so nicely. She is also always polite to adults.
<b>Hockney</b>	Isabelle	For writing with depth and insight/vivid language in writing.
<b>Riley</b>	Alan W	For showing extreme passion and enthusiasm for the subject of microbiology and thinking in innovative and interesting ways.

### After school clubs – After half term.

If your child attends an after school club they will need to be collected from the exit that leads into the Children's Centre car park on Devonshire Street. The tutors will lead the children out and will dismiss them to the adult collecting. This will begin after the half term.

### Back our campaign [www.spacehive.com/chiswickoasis](http://www.spacehive.com/chiswickoasis)

On the 15th of October, the Mayor of London will examine the non-profit campaign to tackle air pollution by building a green wall along the A4, in the playground used by 800+ children from St Mary's, The William Hogarth, Youth Club and the Piccolo Centre.

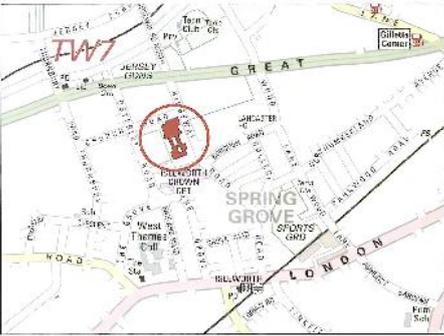

Their decision on whether to give Chiswick Oasis, up to 50k, will be based on how much support the project is getting from the local community to these schools and clubs.

We're talking about our children's health and we must show them we care.

Please take a moment to make a pledge on

[www.spacehive.com/chiswickoasis](http://www.spacehive.com/chiswickoasis)

It's very hard for us to go and look for other sources of funds when we can't show even show the support from the parents of all those who are more at risk.
