

NEW FAMILIES BREAKFAST MORNING

The Friends of William Hogarth School would like to invite all new parents/carers and children to join us for a pre school breakfast on Wednesday 1st October from 8:15 am.

We hope to see as many people there as possible as it will provide you with a great opportunity to meet new parents and children and also to have a much needed early morning coffee! We will use it as a chance to introduce you to the Friends and to recruit as many of you as possible to join us in all our fabulous fundraising activities throughout the year.

Look forward to seeing you then
