Dear Parent

## WALK TO SCHOOL WEEK 2015

I would like to thank those of you who took part in last year's Walk to School Week. We were very pleased that more children and carers walked to school in Hounslow Borough.

Many more schools have joined Walk to School Week this year. I would like to take this opportunity to extend a warm welcome to families taking part for the first time.

By walking to school you will help to improve your child's Road Safety Skills and fitness, reduce congestion at the school gates and make the environment more pleasant by reducing pollution. Many of the schools in last years campaign reported a visible reduction in the number of cars outside the school as "even those families that could not avoid using the car, parked well away from the school and walked the rest of the way."

Your child will receive an Activity Diary, Reward Magnet and a Sticker which will go on the Wall chart in their classroom for every day they walk to school.

We hope that you can support our campaign by walking all or part of your journey to school.

We are not suggesting that you send your child to school unaccompanied. The theme this year is **Striders Healthy Walking Challenge**.

This is a good opportunity to walk with your child and see what discussions crop up. It is also a good time for your child to develop Road Safety skills and greater health awareness.

I do hope you will take part in Walk to School Week and help make our Borough a safer and more pleasant place to live.

Yours sincerely
