### School Policy - Reminder to Parents

The school has a very clear policy on dealing with issues relating to pupils, staff and families. This week it was brought to our attention that a parent had approached a child directly, and we would like to remind all parents how the school deals with any issues relating to pupils, staff or families. Along with this newsletter we are sending a separate attachment to remind parents of our policy. We would appreciate it if you all can take the time to read this document. Parents should not approach another child directly and any breach of this policy will be taken seriously by the school.

## Sports Tournament

### Girls Football Tournament

On Wednesday January the 20<sup>th</sup> Mr Blackman took a girls football team to a tournament, (Julia F, Julia D, Lauren, Olivia, Lara, Hanni Owen, Skyla and Bethan) well unfortunately they never won but in group B they came 3<sup>rd</sup>. The first match The William Hogarth girls played with were St. Michael & St Martins School, the other school won 3-0. The second game changed completely, William Hogarth girls won 3-0 scored by Julia F! The last game was very unlucky because Green Dragon won with us only by 1 goal. The final match was very tough, St. Michael & St Martins versus Green Dragon School. We were all cheering Green Dragon on but by only 1 goal St. Michael & St. Martins School won and Green Dragon came second. We all had lots of fun and we were very happy that Mr Blackman took us. Also, Mr Blackman was the best coach ever

### Boys Football Tournament

On the 15<sup>th</sup> of January The William Hogarth School went to a football tournament at Chiswick High School. There were teams from all other Chiswick schools trying to get to the Borough finals. The teams included Cavendish, Belmont A/B, St. Mary's, Grove Park and Strand they were all great opposition for The William Hogarth School which included great players from our school the ten people that made it into the squad was Hussein, Hashem, Luc, Liam, Harry, Bobby, Finn, Denis, Aungkrit and last but not least Sugar Ray.

In the tournament we had our ups and downs, wins and defeats, but the team played some good football all as good as each other. Hashem got two goals, our only two goals in the tournament. The team still did very well and they ended up in third place with two wins, two defeats and two draws, so WELL DONE for the team. A huge thank you to Mr Blackman, if it were not for him we would have never made it to this position.

## Comics /Magazines Wanted

Do you have any children's comics that are in good condition that you would like to donate to the school? We would be grateful for any good condition comics such as the Beano or any Marvel comics that you would like to donate. Please bring them to the school office.

### Valentine's Disco - February 11

We hope the kids are getting excited about the Valentine's disco. Tickets will be put into the book bags next week. The cost of entry is £1. Please return the entry slip and payment to the school office as soon as possible so we know how many children to count on.

As mentioned before **NO PARENTS** are allowed into the assembly hall. The Key Stage 1 children will be escorted from their class rooms straight to the assembly hall and can be picked up from their respective pick up points in school at 4.30pm. However, if you do have to come to school to pick up a child in Key Stage 2, tea/coffee and cakes will be available in the dining hall for everyone who is waiting for the older kids disco to start at 5pm. Please use the outside entrance to the dining hall only.

#### What we need:

**Volunteers** for both Key Stage 1 and 2 discos to safeguard the doors, a few people to serve and sell the tea/coffee and cakes and some people inside the disco hall, to sell the kids a drink and a bag of popcorn. The only way to see your kids practising their groovy moves is by volunteering so please let us know if you can help!

Calling all bakers to bring in **Valentine inspired cakes** and other treats to sell to those who wait.

Your kids kitted out in their disco gear. All flamboyant outfits much encouraged!

#### PTA Meeting

We spent quite some time discussing what we should spend the money on which is being fundraised throughout the year. A couple of things have been suggested:

- A trip for the whole school to go to KidZania in Westfield. KidZania is a real life role play experience for 4-14 year olds, blending learning and reality with entertainment. Have your kids ever dreamt of becoming a pilot, a firefighter, or the next award-winning singer? Watch the excitement on their faces as they try out more than 60 real life role-play activities in the bank, on stage or fighting crime on the streets as a police officer! Each role-play experience is crafted to teach kids essential life skills including financial literacy, team work and independence.
- Resurfacing part of the playground and making it look brighter
- new shelving and displays for the library
- an electronic display for the reception area, which would display School and PTA organised events and announcements.

If you have any ideas that you would like to share with us, please drop us an email @[fowhs2015@yahoo.com](mailto:fowhs2015@yahoo.com)
