Other dates will be available next week.

End of the school day

Please can we remind parents and carers that after school clubs take place immediately after school has finished. If a class has set up in the hall, gym or playground can we request that you do not interrupt the session by walking through the class. Children must be accompanied at all times after the end of the school day. Children are not permitted back into the school building unless they are accompanied by their parent/carer.

Valuables and lost property

We take the security of your children and the school site very seriously. The gates are locked during the school day and we must stress that parents should not try to access school before 3.20pm to collect their child(ren). If valuables are brought to school we cannot ensure their safety unless they are handed into the school office. All bikes and scooters must be locked up in the shed or in the scooter pods provided, they cannot be stored inside the school building or school office.

The Friends of the William Hogarth School

Welcome back everyone for the new year! The first FOWHS meeting will not take place until all of the Reception children are settled in - however we are going to get the cake sales going this week! Today is brought to you by FOWHS, next week will be Yr 6 Picasso.

Dates

19th September - Yr 6 - Picasso
26th September - Yr 6 - Ofili

Spanish

There are still spaces left for Spanish Club on Wednesday's. Please see the office if your child is interested.
