After school clubs

Next week will be the last week for after school clubs (except for Monday clubs which will run for 1 extra week to make up for the Inset day we had in February).

Message from the Headteacher

The sun is out and Spring is definitely in the air – we've even been playing outside today without our coats on, in between the showers!

This week, we were informed that The William Hogarth School had won £1000 worth of Eco Action Games as part of the RE-FIT ENERGY SAVING CHALLENGE. We feel incredibly lucky as only 10 schools were prize-winners - the prize itself includes some giant playground games for the children to enjoy, as well as a practical eco action workshop and energy saving audit.

Congratulations to Mrs Jeffrey who has worked tirelessly this week to ensure the children experienced a range of practical science activities. As well as setting up a week-long lunchtime science base, classes have been carrying out a range of exciting investigations and experiments during the afternoons. This afternoon, Mrs Jeffrey accompanied a group of Year 3 children to King's House to try out a range of science activities linked to the environment, including a bicycle smoothie maker!

Well done to Caroline Field who works tirelessly supporting our school. She organised for Chiswick Buzz to come in and interview some of the children today about our participation in the Pennies for Change (Ethiopia) fund-raising campaign. The last day for pennies will be Monday please. We will let you know how to access the interview in the coming weeks.

Have a lovely weekend

Ms A. Stockley

Miss Rees

Hi, my name is Katie Rees and I am the new Deputy Head Teacher at The William Hogarth School. I am very pleased to be working at your lovely school and look forward to meeting you if I haven't already done so. I became a teacher in 2005 and moved to London to work as a class teacher not far from where I am now (next door at St Mary's!) I was there for 6 years before moving to a school in Hammersmith as Assistant Head and then arriving here in January this year.

I love travelling in the holidays to far-flung places and I enjoy learning to ballroom dance.

FOWHS Report

Bingo night is TONIGHT!

So if you're feeling lucky, come and have some fun as we help raise funds that will go towards the Reception and Year 1 outdoor play area. If you're feeling patriotic come dressed in something from your home country! Could be colours, a flag, fun costume, face paint or bring items to dress your table. Please see the poster for more details.

Full PTA Meeting - 23rd March

Our next full PTA meeting is next Friday, 23rd March. Anyone from the school and community is more than welcome to join us. 9:00am in the school hall.

Easter Egg Hunt - Thursday 29th March

Our annual FOWHS class Easter Egg Hunt is on again and the countdown has begun. Isma Adams has marvellously organised 100 Easter Eggs to be donated from the Tesco Express on Chiswick High road and is working at securing a £100 Sainsbury's voucher to spend on more eggs. The FOWHS will cover the cost for the remaining eggs as our gift to you for all your support this year. The hunt will take place in school time, in the school playground and at one class at a time. What a lovely way to end the term!

Bake Sales

Year 1 raised £65.37

Reception and Nursery raised:£117.41

Thank you for supporting us through the bake sales each week. We have raised a total of £465.47 for Term 2, the Spring Term.

School Environment

As Spring is just around the corner, I am sure you have noticed the beautiful bulbs that are starting to appear around the school grounds to brighten up the environment. Along with the new fencing, it is fantastic to see these additions improving the school grounds.

Great as these are, we are working hard to improve other areas of the school grounds for the children and wider school community.

If you would like to support and continue this work please note the following date.

On Saturday 24th March from 9am until 2pm it will be the turn of the KS1 playground. There is a narrow strip of land along the fence that will be planted with shrubs and grasses to help create a little green oasis in the playground. It will need to be dug over on this Saturday to be ready to take the shrubs. Please leave your name and a contact number with the office if you can help.

If you could lend a garden fork, gardening gloves, spade or shovel for these activities please advise the office or people listed below.

For further details about the above activities please speak to Louise Cracknell Year 1 Parent Class Rep or Mrs Cooney-Quinn Nursery Teacher.
