05.06.18	School photographer in to take class photographs
18.06.18	Year 5 Wildchild Trip
18.06.18	Year 6 PGL Residential Journey

Message from the Headteacher

Dear Parents, Carers and Families,

Well done to our Year 5 children who rounded the Spring term off very nicely this morning with their Easter festival assembly. The festival assemblies have proved a lovely way for the children to learn about celebrations across a range of different faiths and cultures – so far we have looked at Chinese New Year and Holi. As a diverse school community, learning about other faiths and cultures is an important part of the children's education and strengthens our harmonious community through common understanding, tolerance and respect for all.

Although we have had a very soggy week with all the rain, the filming has drawn to a successful conclusion. We are very excited to see the final product and will share this via the Anomaly screens and the website as soon as possible. We have also formally launched our Twitter account @hogarth_the today. There are a few tweets on the account already which I hope you will enjoy. Do please follow us.

Mrs Curran has asked me to pass on her thanks and fond wishes to you all. She was delighted that so many of you dropped in yesterday afternoon to wish her good luck and say farewell. We will miss her.

The PTA and Friends of William Hogarth deserve a very special mention. Last weekend, they came together on Saturday and did an incredible job of relocating the plants from the planters in the front playground, to what was previously the rather dark, back corner of the rear playground. The results are spectacular – teachers, children and parents have all commented on the transformation. The change was so motivational and uplifting, the team was already suggesting ideas for future projects as the day drew to a close!

I wish you all a very happy Easter. Have a fantastic rest and don't eat too much chocolate!
See you next term.

Miss A. Stockley

Year 4 Visit

Both Fedden and Warhol went to British museum to consolidate their learning on 'Vikings and Anglo-Saxons' as part of their Topic 'Traders and Raiders'. Children were fascinated by the objects on display in the Sutton Hoo case and came up with some great questions in regards to how they have been excavated and preserved until now. It was a great learning experience!

Nursery

Well done to all the children in Nursery Class who worked hard to create beautiful Easter Bonnets. Congratulations to Madeleine in Nursery Class who created a beautiful Easter Bonnet for the parade. All the children enjoyed parading their bonnets, taking part in the Easter egg hunt and are looking forward to eating the delicious eggs donated to Nursery Class by the PTA. Thank you to the PTA.

Natural History Museum

The constant rain did not dampen year 3's spirits as we made our way to the Natural History Museum to take part in the Emergency: Earthquakes and Volcanoes! show.

Year 3 have been learning about volcanoes and rocks this term and were able to answer all the questions during the session which taught us more about tectonic plates and the different types of volcanoes. They also enjoyed the earthquake simulator which is based on the earthquake experienced in Kobe, Japan.

After lunch the children had a closer look at some of the fossils which were on show. Some children took a greater interest in the crystals which were displayed. A few children sneaked a peak at the mechanical dinosaurs...there was something for everybody on this trip.

Archie enjoyed the show and the dinosaurs and Gracie loved looking at the fossils which she thought were really cool.

As always thank you to all the parent helpers - the teachers and the children really appreciate your support!
