As a school we are focusing weekly on different values

Our value for next week is: BRAVERY

NFER School Surveys

Parents please look out for a separate communication (today) through Parentmail from the NFER (National Foundation for Educational Research). The NFER would like your help with a survey they are undertaking on behalf on the school. Please do take the time to complete it.
Thank you for your support.

Alien crash landing!

This week an alien rocket landed in our school playground. Year 1 children got to investigate the rocket and met with a forensic scientist who was working really hard to investigate the site. Professor Herbert will be working extremely hard to find out exactly what happened.

Message from the Headteacher

Welcome back everyone! I hope you all had a lovely Easter break so that you are fully refreshed, ready for another exciting term.

The summer term is always jam-packed, whether it's revision and Year 6 intensity pre-SATs, sports days, trips and visits, or festival assemblies. Do please keep an eye on the calendar section of the website and newsletter as new dates will continue to be added. On this note, there will be SATs information meetings for Year 6 parents next week:

1545, Thursday 26th April
0915, Friday 27th April.

If you have any queries, please do come along. We look forward to seeing you there.

We received the first edit of the school film yesterday and I am pleased to report that it is absolutely fantastic. Once it has been screened and double-checked against all photographic permissions, we will share it with you and post it on the website. I think the children will be thrilled with the results.

Just a quick reminder that lots of interesting information and photographs about day-to-day school life are being uploaded to the school's Twitter profile every day. This is a great tool for communicating the different events and activities that are taking place in school. So far we have 18 followers – do please join them. Let's see if we can reach 100 by the end of the school year!

The PTA plans for the summer fair are well and truly under way. This will be held on Turnham Green again and looks to be another exciting event for our families and wider community. Your PTA class reps should have lots of information to share with you in terms of how to get involved on the day, or in the preparation and organisation that goes on behind the scenes to make these events possible.

Now that the weather is improving, our 'open playground' policy means that more and more families are coming together at the end of the day to catch up with old friends and make new ones. Do please be mindful of the rules that are in place to facilitate the success of our open playground:

- Children must be supervised at all times by their parent, carer or designated adult
- School equipment must be treated respectfully
- Only the front playground forms part of the open playground

The rules are in place to help as many families as possible enjoy the playground space safely. Thank you for your support in following them.

Have a great weekend – I am planning on firing the barbecue up while the weather is good.

Miss A. Stockley
