Message from the Headteacher

We start off the weekend in fantastic, celebratory style, with the official opening of the ball park after school today. It feels right and important to come together for this, as the improved ball park space is the result of some real community minded determination and spirit of people both directly involved with our school community and members of the wider community. Do please come and join in – there will be a delicious barbecue organised by the Friends, some fun and games organised by the team at Will To Win, plus amazing company of friends and families.

Continuing the celebratory theme, I am delighted to let you know that we have two pupils who are ranked in the top 20 England U10 Table Tennis rankings. Well done John (year 6) and Sasha (Year 4) who are currently 5th and 16th respectively. I am sure you will agree this is an incredible achievement for both boys and we are very proud of them.

Our top table on Wednesdays is proving very successful. All the children are working hard at demonstrating our school values throughout the day. Special congratulations go to Jackson, Maddie, Bilaal and Bruke (Early Years), Thomas, Alessandro, Caitlin and Ismaeel (Key Stage 1), and Jermaine, Mario, Dani, Lani, Zak, Ife and Bailey (Key Stage 2) who have been selected to join the top table next week for demonstrating a range of values including courage, resilience and kindness.

I hope everyone has managed to make a good start on the school reading challenge. I am really looking forward to reading the children's responses to some of the books and am impatient to hand out the lovely badge awards. Thank you to those parents who sent in suggestions for additions to the recommended reading lists. Camilla Paulsen, a parent in Year 4, has recommended 'Wonder' by RJ Palacio. Many of the books included on the list are available for the children to borrow from the school library. Alternatively, books can be borrowed from Chiswick Library on Dukes Avenue.

Miss Rees is organising samples for the school uniform review. As soon as she is able, we will hold an event for parents to come in and have a look at the different proposals. We will also be gathering pupil, staff and governor opinions about our school uniform moving forward. Investing in a school uniform is an important decision, so it is important that we get it right at these stages. Your support in this is much appreciated.

Last term, I noted that The William Hogarth School had won an Environmental Award. On Tuesday this week, there was an Eco Games assembly where the award was presented. There are some amazing giant versions of board games available to the children to use outside, each with an environmental twist. Children in the ECO Team were proud to accept the prizes on the school's behalf and spent an enjoyable and informative afternoon learning how to play the games. I am looking forward to seeing them in use in the playground.

Have a superb weekend.
Miss Stockley

Eco Winners!

On Tuesday our school received the prize of an Eco assembly, Eco workshops and an Eco audit for the children and staff in our school.

Our school was one of ten schools from across the whole of London to win this prize.

The afternoon started with an assembly for the whole school presented by Eco Fit Games explaining to the children what 'Eco' means and how we can support being 'Eco friendly' in school and at home.

Then the Eco Committee children undertook workshops and played a variety of Eco awareness games.

The afternoon concluded with the Eco Committee children walking around the school undertaking an Eco Audit.

This Eco Audit will be used to develop an Eco Action plan for the school.

Parents and carers are welcome to join in with the work of the Eco Committee.

Please speak to Mrs Cooney in Nursery Class.

Swift Birds

The first Swift birds of the season have been spotted over Chiswick this week. As mentioned in a previous newsletter these Swifts have flown thousands of miles after passing over Africa to arrive to breed in London and are especially found in the Chiswick area.

In one birds lift time it will have flown the equivalent of four times to the moon and back!

So keep your eyes towards the sky's and on the newly installed Swift boxes at the William Hogarth School to see if you will be one of the very lucky people who gets to spot one of these amazing birds.

Good luck!
