## Secondary Transfer

### Note to Parents with Children in Year 6

#### Secondary school admissions

Advice from LB Hounslow below

If your child was born between 1 September 2004 and 31 August 2005 he/she will need to apply for a secondary school place from September 2015.

**You must apply online [using e-admissions](#). We will not be using paper application forms this year. All online applications must be submitted by the closing date of 31 October 2015.**

If you do not live in Hounslow, you must apply directly to the council in which you permanently live, even if applying for schools in another borough. Please note we do not process applications for independent fee paying schools.

We advise all parents to read our [Transfer to Secondary School in 2016 brochure](#) ( [PDF Help](#), size 2258kb) before making an application. This brochure gives you full information on the application process.

[View a list of all secondary schools and their open days here](#) ( [PDF Help](#), size 513kb).

#### Supplementary Information Forms

You must check the admission criteria of the schools you are applying for. Some schools (such as faith schools) require the completion of the school's supplementary information form (SIF) in addition to Hounslow's Common Application Form (online application).

You can download a copy of the SIF for Hounslow Secondary Schools [on this page](#).

#### Key dates and drop in sessions

If you need help with your application, you can attend one of our drop in sessions. An officer from the School Admissions Team will be available to help with the online application process. A list of the drop in sessions can be found [here](#)

A scooter has gone missing and the child is very upset. Please check that your child has taken the right scooter home. Children should not ride bikes or scooters whilst inside the school grounds.

Most of the meeting was spent discussing what we could spend the money on which is being raised throughout the year. We would like to spend the money on things or events that all the kids in school will benefit from. This may range from musical instruments to playground equipment, school trips, after school clubs etc. If you have ideas on what to spend the money on, please let us know @ [fowhs14@gmail.com](mailto:fowhs14@gmail.com)  
In the next PTA meeting on the 5th of November we will set out a fundraising strategy for the coming year so it will be great to hear your ideas before then.
