**Beat the Street**

During the last seven weeks of Beat the Street, children and their families in Hounslow walked, scooted, cycled an amazing 106593.5 miles in total. The William Hogarth School played a great part in the total amount of miles reached. This is an amazing amount of miles.

Although the game has finished I would like to encourage everyone to keep up the walking, scooting and cycling.

Well done to everyone who took part and a very big thank you.
