28.11.17	Year 3 Lowry visit to St Nicholas Church (am)
29.11.17	Year 3 Blake visit to St Nicholas Church (am)
08.12.17	Christmas Fair
12.12.17	Flu vaccinations
15.12.17	Christmas Jumper Day
15.12.17	Christmas Lunch
13.12.17	Red Riding Pantomime in school – KS1 morning, KS2 afternoon
20.12.17	Class Christmas parties
20.12.17	Last day of term 2pm

Message from the Headteacher

We often forget the adult learning that takes place in schools every day – this week I have learnt something new every day! I attended an excellent conference in London and found myself fascinated by some of the statistics that were presented regarding children's online usage and behaviours:

- 99% of households with children have internet access
- Approximately 25% of 9-year olds access the internet from their bedrooms using laptops, gaming devices, mobile phones and tablets
- 30% of 9 year-olds have a Facebook profile (9% have more than 100 social media 'friends')
- 60% of 9 year-olds have used a credit card (sometimes without permission) to make an online purchase

The internet, and particularly online safety, is becoming an increasingly important item on the agenda for schools so, in order to help the children at our school develop safe, online habits, we will be looking at holding half-termly online safety sessions for the children. I will also be investigating ways to roll out this information and learning to parents.

Teachers are looking forward to next week's Parent Consultation Meetings. These are an excellent way to see for yourself the progress that your children have made since September and to find out how to help your children at home with the learning they do at school. I was particularly impressed with some of the boys in Year 2 who came to show me their writing. The progress they have made since the start of the year is very impressive and reflects the sense of energy and purpose around the school. If you have not signed up to talk to your child's class teacher, please do.

I know that pollution is a concern for many of you, especially with such a busy road running so close to the school. Next week teachers, children and the site team will be taking part in the Borough's Clean Air Audit. This will help the Local Authority to come up with a sustainable strategy to improve the air quality in our environment. Thank you to those families who have managed to complete the short survey sent out by Sue Colley, our interim Deputy. If you have not yet had a chance to return this, please bring it in to the School Office on Monday so that we can share the views of as many stakeholders as possible. Alternatively, the Environmental Strategy Team have launched a public consultation which you can respond to by visiting the link given below:

https://www.hounslow.gov.uk/info/20096/consultations/1783/air_quality_action_plan_consultation_-_ends_17_dec_2017

Have a lovely weekend.

Miss Stockley

Lunch Time Supervisor Role

We are currently recruiting for a Lunch Time Supervisor. We would be very keen for somebody from our school community to fill this position. If you are interested, or you know of anybody who might be interested please collect an application form from the school office.

Trip to Sky Studios (Fedden Class)

During their visit children had a behind the scenes tour of Sky Studios, a hands-on learning experience creating their own TV report while working with a team of experts and cutting edge technology. Children worked in different teams to produce a section of a filmed report relating to our Science topic 'Living Things' that we have been focusing on this half term in class. They were given different roles, such as: producer, director, camera operator, reporter, script writer, editor, eye-witness, expert and they performed brilliantly in front of a camera.

The final report is available on a USB wristband which will be given to each child as soon as the school receives it.

School Vegetable patch

Great news, the vegetable patch outside the Year 1 classrooms has winter season plants growing in it.

Thank you to all who donated from their own gardens and allotments, the children have enjoyed planting them on. We have a few spaces left so any leeks, cabbage, greens or anything else you would like to add please do bring it in. I will get the children to care for it along with all the broad beans they have planted.

If you have any spare short garden canes to support the broad beans please give them into the office, all donations would be gratefully received.

Over the next few weeks 100 daffodil bulbs will be planted around the school grounds. Smiling golden daffodils will brighten up the spring mornings.

Please encourage the children to look at the growing plants and take care of them.

FOWHS News

I had the pleasure to be involved in our school's Open morning for September 2018 student intake last Friday. I was delighted to hear that in terms of outcomes for children in Reception, we are 10th in the Hounslow Borough and 2nd in Chiswick. Staff and parents have worked hard for these results. We are a great school community that works well together so our students can be the best they can be; socially, personally, on the field and in the classroom. I was delighted to see year 5 and year 6 students being tour guides for the parent groups and I must say they did a fantastic job. Their politeness and ability to speak up and converse with adults made me very proud. The school corridors were adorned with fantastic student work and the visiting parents were overwhelmed by the calm and quiet learning that was taking place in the classrooms and play areas. And this is why we have a PTA, to support staff in any way we can, as they teach our children. Their education is not just reflected in a test paper in year 6, but in their attitudes towards each other, their self awareness, their ability to respect those with differing opinions, to be good sportsmen by winning well or losing well and by working as a whole school team. Please join us this year as we raise funds for our wonderful school and our children's classrooms. There is a lot to do but together we can do it.

Children In Need – 2 upcoming events

Pudsey's Round Pound Countdown is on...

You can no longer spend your old pounds, but Children In Need can still collect them and put them to work changing young lives here in the UK.

Millions of round pound coins are still in circulation. We're challenging you to hunt for them in saving jars, piggy banks, coat pockets and down the back of sofas, then put them to good use.

We're aiming to collect as many as we can before the big Appeal Day on 17th November.

So hunt for your last round pounds and donate them to make them count!

The Big Spotacular

We need you to pull out all the spots for the BBC Children In Need Appeal.

For a £1 donation you can come to school on Friday 17th November in your spotty socks, trousers, skirts, dresses or anything else you can find!

Please bring all contributions to the school office.

Many thanks

IQ CARDS – CHRISTMAS CARD FUNDRAISING 2017

Dear Parents / Carers

This term The Friends are delighted to be participating in the card fundraising project with IQ Cards. The funds that we raise through your purchases will be used to benefit the school.

Your child's design template is now complete, and has been sent home for you to view.

On the reverse of their design please can you fill in the order form by checking your child's name is spelt correctly & stating clearly the quantity of each product that you would like to order.

IQ Cards will then print your child's design onto very high quality Greeting Cards, Postcards, Gift Wrap and Sticky Gift Labels. (See the flyer that will be also sent home for images / pricing info.)

Your child's name will be printed onto the products for that personal touch!

Payment must be handed in with the order forms as per the details on the sheet.

All order forms & payments must be returned to school by Monday 13th November.

The quality and price of these products is fantastic and they are perfect to send to friends and family, please support the school by ordering. The Value Pack at only £10.00 is surely a great buy saving £3.00!

All ordered products will be handed out by early December latest.

Any queries please contact Caroline - FOWHS2015@yahoo.com

CALLING ALL GREEN THUMBS

ARE YOU INTERESTED IN GREEN SPACES? ENCOURAGING CHILDREN TO INTERACT WITH NATURE AND THE OUTDOORS? SHAPING KIDS' ATTITUDES ABOUT THE ENVIRONMENT?

Our FOWH now has a volunteer Environmental Officer role. This role will focus on how the committee and its environmental working group can improve the external environment (ie. grounds, gardens, sporting and learning facilities, play areas) of the school to enhance the experience our children have here at The William Hogarth School. The Environmental Officer role will:

- Liaise with the William Hogarth Eco group (run by Mrs Cooney-Quinn) to extend environmental learning opportunities for the children
- Assist FOWH committee to identify key environmental/external improvement projects to be undertaken
- Organise working bees/groups/events to carry out environmental/external improvement projects when appropriate
- Liaise with fundraising working group to identify and apply for relevant local and/or national grants to assist in funding

If this sounds right up your alley, please come along to the next FOWH committee meeting which will be held on Wednesday 15 November at 9am in the school dining room or contact your class rep to express your interest and find out more!!
