#### **A message from the Headteacher**

Welcome back and Happy New Year! I do hope that you all enjoyed a much deserved rest, with plenty of opportunities to spend time with friends and family during our Christmas break. I know I feel reinvigorated and revitalised, ready for the term ahead.

On Monday 7th, our staff team (administrators, teachers, assistants and lunchtime supervisors) joined staff from the other schools in the Progress West Partnership for an absolutely fantastic training day centred on supporting children's mental health, well-being and self-esteem in the modern world. With staff from 9 local schools in attendance, there was a tangible energy and dynamism to the training which was very exciting. We all took away some incredibly valuable lessons and insight which we are already thinking about and applying in our day-to-day practice. An enormous amount of organisation goes into putting together such an event and my thanks go to the staff at Chiswick School and their sixth formers, for providing the venue and supporting the smooth running of the day.

We are very pleased to be able to welcome some trainee teachers into school this term. Please do make them feel welcome and part of our vibrant and caring community. When I look at our current staff body, it is incredible to reflect that three of our current teachers conducted their final teacher training practice at our school, with two others having practised at other local schools in the Progress West Partnership, including Green Dragon, Belmont and Strand. As a school, I always hope that we can learn much from our student teachers and their universities whilst we share our expertise with them. Our routine practice is to ensure that all our students are in the final stages of qualifying as teaching professionals.

We are seeing an increasing number of nuts (or items containing nuts) creeping into children's packed lunches and break time snacks. Please do support us in ensuring that we remain a nut free environment, as we have several children with very serious allergies. If you are unsure whether a product is suitable, please check with the office who will be able to guide you.

Have a fantastic weekend.

Miss Stockley

there was a Story Telling Week at The William Hogarth.

I am looking for volunteers to come and help celebrate the love of reading and story telling with the children from Monday 28th January - Friday 1st February. Parents, carers, and grandparents are all welcome to come and read a short story/ fairy tale / traditional tale to the children. I would really like to celebrate the diversity of languages within our school community, so would like the stories to be read by the adults in their native language.

If you have time and a book to read please let me know so I can match you up with a class.

Miss Rees
